I take pleasure in making honorable mention of the voluntary work done by Mr. Wm. F. York on the road bordering his land; he has practically rebuilt the same and kept it in excellent condition the past twelve years without any expense to the town, also ornamented his entire roadside with flowering plants and shrubs.

I have examined the foregoing accounts of C. W. Stone, road agent, for the town of Andover for the fiscal year ending Feb. 15, 1905 and find the same correctly cast and properly vouched.

## LIBRARY REPORT.

---

The trustees of the Andover town library submit the following report for the year ending Feb. 15, 1905:

The number of books issued at Andover to Feb. 15, 1905, was 1663; at East Andover 797. The number of borrowers at Andover was 160; at East Andover, 74. Total circulation, 2460; total number of borrowers, 234.

Too much cannot be said of the great value of this library to the citizens of the town, and it is certainly gratifying to know that the circulation is still well maintained, and that the improved character of the new books is appreciated by those who patronize the library.

It is hoped that each citizen will consider it not only a privilege but a duty to urge upon all our inhabitants the desirability of a wider use of the library facilities.
